## TROT Scholarship Fund

Trot scholarships are available to Junior and Young Riders  
*(age 21 and under)*

The Ozarks Dressage Society would like to support junior and young riders to further their knowledge and experience in dressage. The scholarship money can be used for any dressage educational purpose, including show fees. Riders must be members of ODS in good standing to be eligible for a scholarship.

Anyone wanting to participate must apply using this application. The application should be submitted by mail, email, or hand delivered to a board member at least 2 weeks ahead of the event. Once a majority of the board has approved the application, then the payment will be made by ODS to the event, clinician, or rider/guardian if it is a non-ODS event. Any refund in fees should be made directly to ODS. Applications may be considered all or in part depending on the number of grants issued within one year.

You will be required to submit a one page essay with this application. **Please include a full description of the event offered that you wish to participate in and what dressage educational benefit this will have for you. Also, you will be asked to attend an ODS meeting following your event in order to share your educational experience.**

If you are interested in a TROT scholarship, please complete the required material and return to the **Ozarks Dressage Society at P.O. Box 3532, Springfield, MO 65808**, or use another method as listed above.
